Subject Re: Richardson Flat - past costs decrees - draft
motion to enter

Mark: I have conferred with UPCM's counsel and I'm pleased to report that neither AR nor UPCM have any comments on the proposed motion or order. Thanks for giving us the chance to review those documents. Rich

Subject: Richardson Flat - past costs decrees - draft motion to enter

The 30-day public comment period on the past cost decrees has expired without comments. I have prepared a draft motion to enter the decrees, along with a proposed order, which are attached. You have already agreed not to oppose entry of the decrees. But please let me know if you have an objection to the form of the motion or proposed order. If I do not hear from you by the end of the day Wednesday, October 18 I will assume that you do not have any objections.

Thanks,

Mark
